

Notice to Bidders

The City of Troy
to Solicit Construction Bids for
McDonald Drive Reconstruction

Sealed proposals for the “McDonald Drive Reconstruction” will be received in the Administration Office, 116 East Market Street, Troy, IL 62294 until 10:00 AM on November 18, 2021. Sealed proposals will be opened and read publicly at the same time and place. The work includes reconstructing about 280-ft of two-lane concrete pavement with associated removals and traffic control. The work also includes integral v-gutter, PCC driveway pavement, PCC sidewalk, and new signs with posts. Plans with additional Bidder requirements may be downloaded at the City’s website for no fee. IDOT prequalification is required.

Complete digital project bidding documents are available at www.troyil.us. To bid the project, you must register as a plan-holder with the Assistant to the City Administrator Michelle Colligan. Please contact Michelle at 618-667-9924 ext.1 to register and/or for assistance in viewing, downloading, and working with this digital project information.

For more information about the project or plans, contact Tom Cissell, City Engineer, via email at tom.cissell@oatesassociates.com or call 618-345-2200.
